COMPETITIVE TEAM HIGHLIGHTS

Our Season 1 competitive teams (Bronze, Silver, Level 3 + Level 4) wrapped up their season mid-December! For 90% of our gymnasts in Season 1, this was their first time competing, and most of them qualified to compete at State! We are SO proud of them, now they move on to conditioning and training for next season.

Our Season 2 competitive teams (Gold, Platinum, Diamond, Sapphire + Level 6 - 10) are gearing up for their first competition of the season beginning of January! They kicked off their season with their Mock-Meet which was SO fun to watch! We can't wait to cheer them on this season!

The coaches decided to switch things up this season and rented a private movie theater to watch The Grinch for their Holiday Party! Everyone had SO much fun! Shout out to Waconia Emagine Theater for making things so easy and welcoming our group, and of course for the delicious popcorn!
